Strengthening the federal and military workforce

Magellan FEDERAL

Who We Are

A Magellan Health business, Magellan Federal delivers sensitive, complex wellness services to our Nation's fighting forces, federal civilian employees, and their families. Our expertise spans decades of supporting federal agencies with missions and programs that enable the next generation of healthcare.

140+ year legacy of serving the military community

50+ years of behavioral health expertise

A wholly owned subsidiary of Magellan Healthcare, Inc., ***inspiring healthy, productive communities***

Magellan FEDERAL

Our Approach to Wellbeing

We believe people are complex, and that true health solutions must encompass the entire human experience.

We offer solutions for every phase of life across the **6 essential areas of wellbeing**.

Our human-centered approach is a winning recipe for essential human thriving.

Absolute Commitment

Many of the amazing men and women who make up our workforce have served or have family members who have served. We are proud to offer a combination of market expertise and clinical innovation that improves the lives of this mission-critical community at their most difficult times.

- Diverse, inclusive workforce
- Innovative, technology-enabled products and services
- Evidence-based practices
- Commitment to quality and service
